

# CITIZENS POLICE ACADEMY ALUMNI Shooting Star Program

Once again the Bedford Citizen Police Academy Alumni Association is excited to offer each Bedford citizen and business a chance to show their support of our local Police Department through the Shooting Star program. For **\$25.00**, the Shooting Star program allows you to sponsor an officer or police employee of your choice (or one chosen by the Association for you) to attend the Annual Police Awards Banquet to be held on January 22, 2011. Sponsorship helps offset the cost of this time-honored tradition and allows officers to attend free of charge.

The name of each sponsor will be listed in the banquet program and on the Police Department's website (**please advise if you do not wish for your name or company name to be published**). The officer(s) and/or employee(s) you select to sponsor will be notified of your generosity.

We hope you, your family and/or business will join us in showing support of the men and women who guard and protect our family, friends and property.
